

FORMIT EXECUTIVE

JOBSITE ON A BUDGET

Lightweight, durable and very affordable, the Executive was designed and built specifically with the jobsite in mind.

It may be one of the most affordable toilets on the market, but there's absolutely no compromise on the quality. The Executive boasts an impressive 390 litre waste capacity, freshwater flushing, UV resistant single skin walls and an-all new aesthetically pleasing look.

And if that's not enough, you can option it up with a lifting system, a foot pump system, evacuation valves, even trailers!

Needless to say, the Executive meets all EPA and Work Cover Regulations throughout Australia, including waste holding and lifting capabilities.

FEATURES
